

Green Incentives

A large green and white offshore supply vessel is shown from a low angle, sailing on the ocean. The vessel's hull is primarily green with white sections. A prominent white funnel is visible on the left side. The ship is moving towards the right, leaving a white wake. The background features a blue sky with light, wispy clouds and a distant shoreline with some industrial structures.

Incentive market to (net) 0 emissions

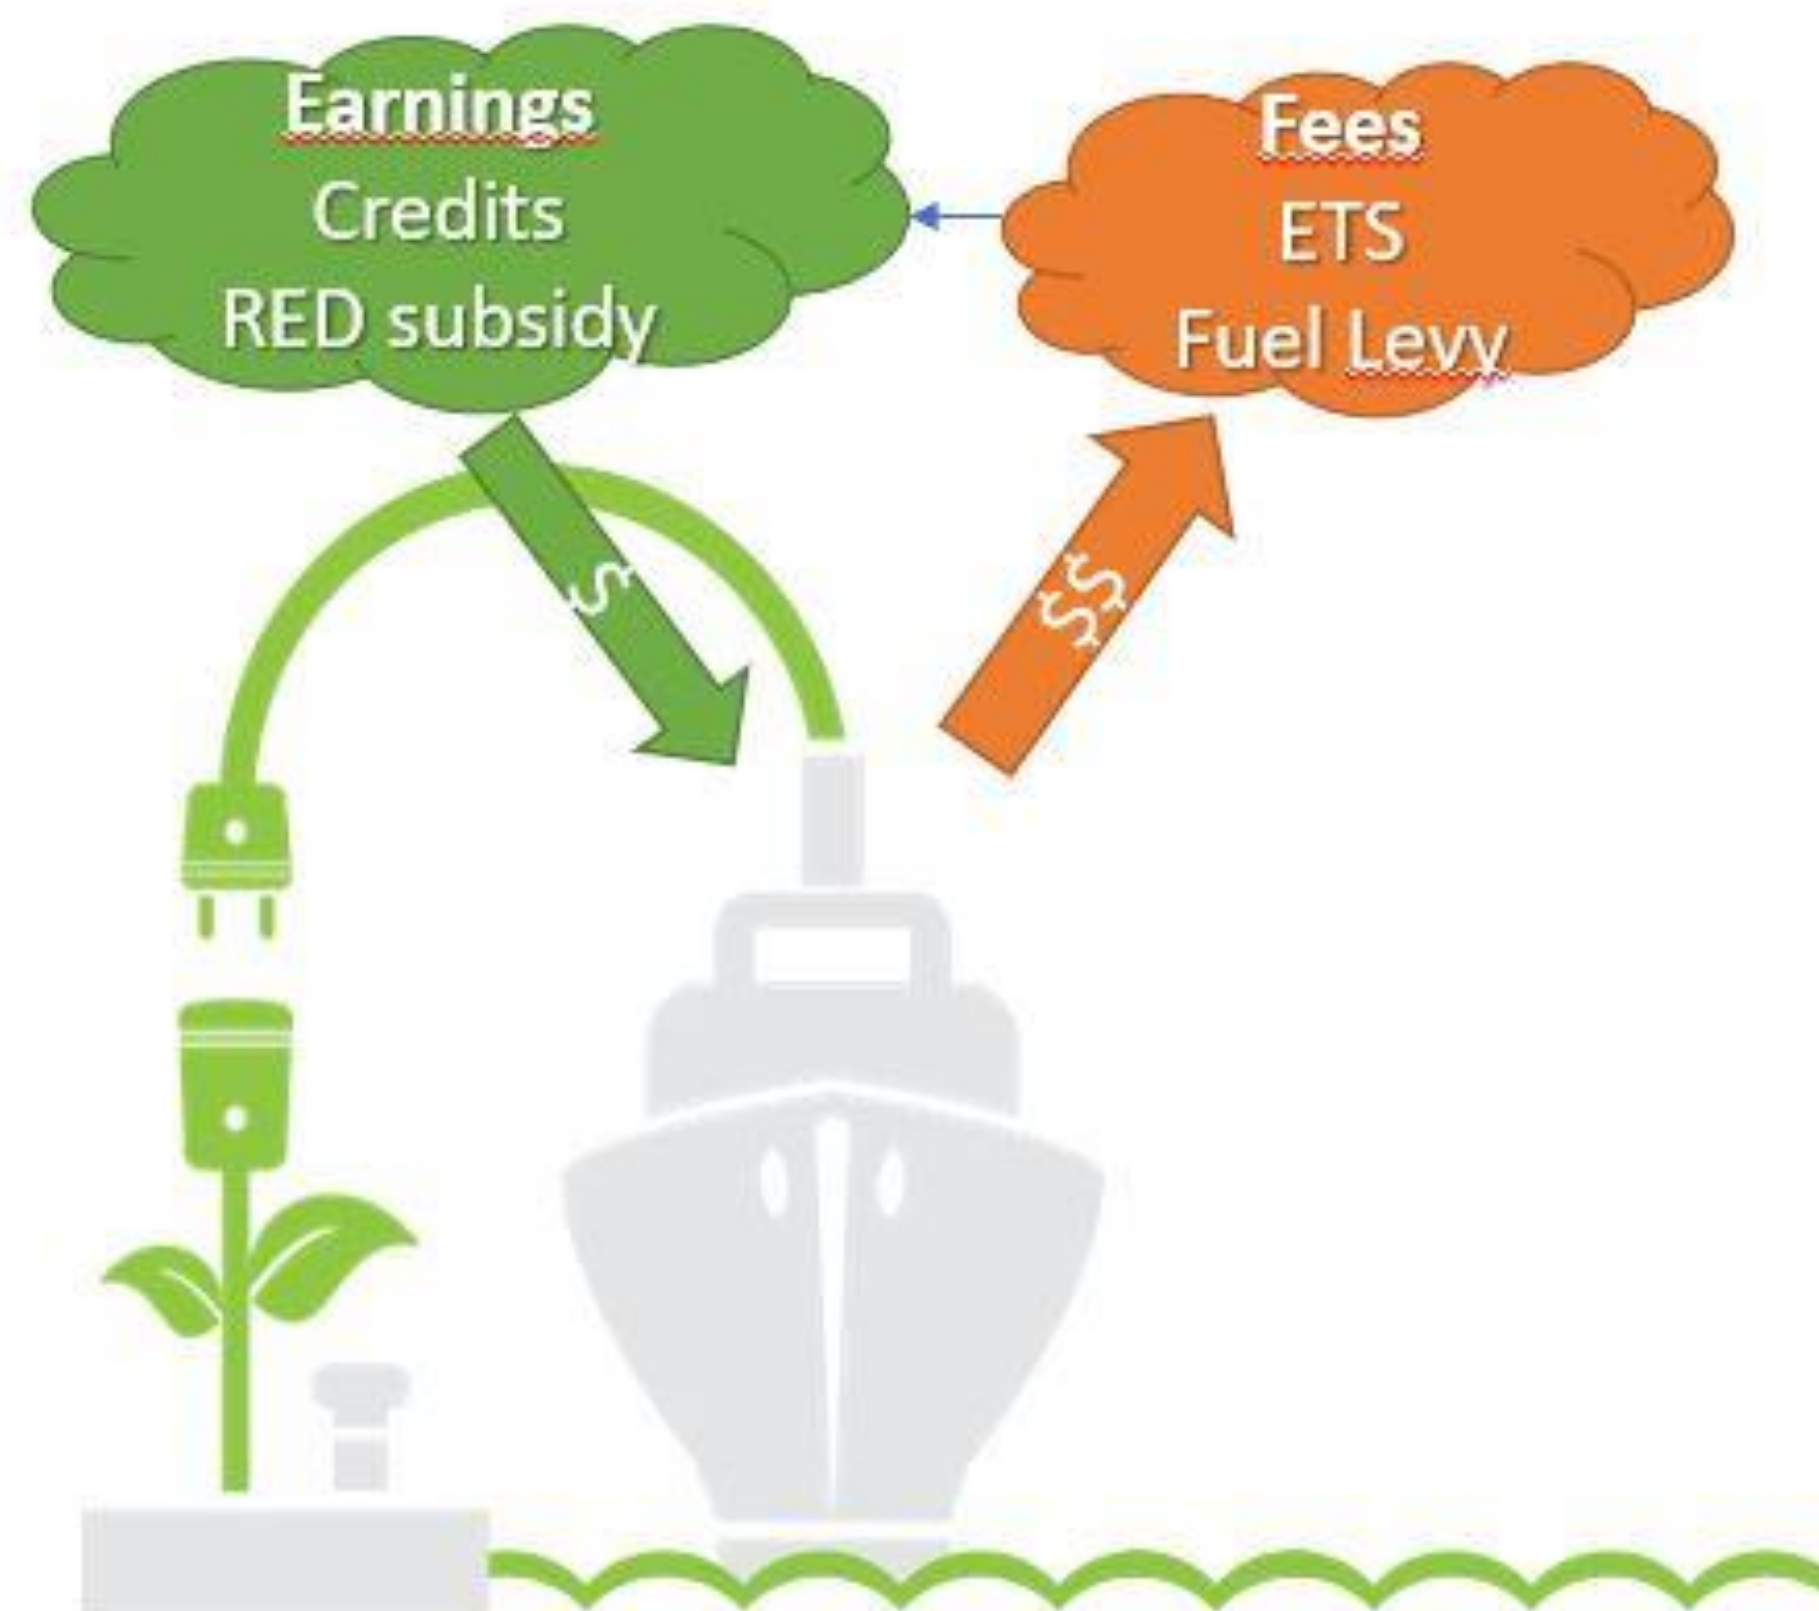

OKYO GAS AND GS ENERGY TO RECEIVE WORLD'S FIRST CARBON NEUTRAL LNG CARGOES FROM SHELL

CARBON CREDITS

Green Award is a quality mark for ships that demonstrate high safety and **environmental** standards.

CMB'S CO2 PLEDGE: NET ZERO AS FROM 2020 – ZERO IN 2050

Voluntary Carbon Units (VCU's) in Zambia (agro-forestry, SALM, REDD+), Guatemala (REDD+) and India (wind and solar parks).

EU- Strategy

The strategy consists of **3 consecutive steps**:

- Monitoring, reporting and verification** of CO₂ emissions from large ships using EU ports

- Greenhouse gas reduction targets** for the maritime transport sector

- Further measures**, including market-based measures, in the medium to long term

Shipowners to IMO: Fund GHG reduction R&D through \$2 a tonne fuel levy

Presentation & Poll

All members of Innovation Council were invited.

All received information on results.

Attendance ca 20 (inc students)

[Presentation Link](#)

Green Incentive Poll 1

A Poll was conducted to have structured feedback, and link to future developments

[Survey](#)

20 Reviews, Ex Students 13,

- Led to great discussion with group
- Poll was well perceived

Note difference between Subsidy and Taxation (3&4) were extremely interesting , and led to more discussion

2. Wat vind u van de presentatie

Green Incentive Poll 2

Poll on Best use of "green Incentive"

Interesting remarks on successful reviews can be used in broader sense.

Good views from audience on expected effects on market based measures.

Resulting in great input for further investigations

Feedback on Webinar & Follow up

100% positive remark! On further feedback

After email from Nathalie to stakeholders additional feedback came.

- Great discussion on follow up

5 feedback's were given on future considerations

Overall feedback great to have a catch up with team, good involvement with Maritiemland and stakeholders

6. Wilt u betrokken zijn voor verder opvolging Green Incentives, voor informatie of workshops
